Things that will truly enrich your life:

- Wake up before sunrise and step out.
- Exercise. Strength training; walk or run, if nothing.
- Take Cold showers. 1-2 min at least. Even during Winters
- Measure what you eat. Best discipline.
- Practise Meditation. 15 mins before sleep in bed.
- Fall in Love with yourself.
- Fall in Love with someone.
- Fall out of Love.
- Wake up with a responsibility of caring for some life.
- Experience Death of a loved one. Sitting next to them when they are about to die.
- Buy food for someone who doesn't have means to buy.
- See a random stranger crying.
- Purity of Heart is a rarity.
- Walk with yourself in complete solitude.

- Travel a lot. More nondescript places, less exotic ones.
- Build your Character before you seek Attention.
- Experience grief and trauma.
- Experience bankruptcy. Witness Poverty.
- Interact with a toddler. Hold hand of an old person.
- Get cheated on. Face rejections.
- Have Regrets.
- Question every narrative.
- Hug someone tightly.
- Cry alone. Cry in front of everyone.
- Silence is also a Language. The sooner you learn it, the better.
- Never look upto anybody. Never look down upon anybody.
- Learn to cook.
- Love people like they are forever. Hold them like they are seasons.
- Character over Reputation. Character is what you truly are. Reputation is what you want others to know who you are.
- Learn to sit back and observe. Not everything needs a reaction.
- Don't reason your way through human emotions. Feelings aren't puzzles to be solved.
- Listen when someone wants you to, Talk when You need you to. Speak up, when others need you to.
- Ask Why, Answer Why Not!
- Develop a Taste for Music, Writing or Reading. Peace often lives there.

- Spend some time in a different country than yours.
- No smoke. No alcohol.
- Visit a war torn country.
- Check on someone you care.
- Read more, Watch less
- Never expect to get what you give.
- The only Defeat in Life is Death. Until then, Keep Going!
- "Leap, and the Net will appear"
- Develop a Hobby.
- If have to, Hustle "18 hours" for yourself, not for others.
- Step out in Real Life, Step out of Digital Life.
- Take photographs.
- Love and care for someone deeply and unconditionally.
- Get drenched in rain.
